Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Examiner left a message on Mr. Fogarty voicemail indicating the drawings filed on 5/18/05 had remarks the indicated the element 1 was changed to 21. The amended drawings changed element 1 to 22, which is consistent with the specification. Thus, the drawings are acceptable and the Examiner was wondering if the remarks was smply a typographical error.
